

So, what's all this all about?

We know you've got some great ideas on how to make MPK a better place to work.

Well, now's your chance to tell us about them.

It's pretty easy!

Just pop your suggestion in the snazzy boxes that you will start to see around sites and offices in the coming weeks or, if you're techy scan the QR code, and your feedback will go straight to the top.

Yes, we know we'll get a truck load of "more pay" suggestions, we'd be amazed if we didn't.

But we also want to know what we're doing well, where we could do better and if there's any star performers who need a pat on the back.

The snazzy boxes will be checked regularly, and we will let you know how we have addressed your feedback on our equally snazzy "You Speak, We Listen" boards for all to see.

So, it's now up to you to tell us how you really feel.
