**WE HAVE A
WINNER!
WINNER!
WINNER!**

Judges of our `Photo of the Month' comp had a tough time selecting a winner from the high-quality entries sent in from our people right across MPK.

From breathtaking landscapes and skyscapes to our people doing what they do best out in the field. This month we had it all, so a big thanks to everyone who entered.

Our Winner this month is below! Congrats Mate!

We'd also like to give a big shout out to all our other entrants too! Sorry the judges didn't swing your way this time but keep sending them in you never know when it will be your photo that wins!
