

Perfect drivers have a bag of reasons to celebrate!

Staying focused on road conditions, braking safely, wearing seatbelts and taking regular rest breaks, are just a few of the reasons three lucky drivers are now driving away with an MPK merch bag.

After tallying up the Red Amber Green (RAG) report for the month we were pleased as punch to announce that 666 drivers notched up perfect 100s thanks to driving safely.

A big thanks to all 666 of those drivers who did the right thing to keep themselves and their workmates safe while driving – awesome job!

And while every one of them deserves a gold star, we ran a random draw of all 666 names to select the winners of the MPK Safe Driving Legend merch bag.

Winners were Truck Driver Timmy Foley, Driller Russell Quickfall and Field Technician Luke Holden. Your bags are on their way lads.

Remember folks - drive safe and you could be our next winner!

MPK. Right solutions. Right people. Right for the future.

One of the three winners, Luke Holden (right) receiving his prize from Mark Larter (left).

MPK. Right solutions. Right people. Right for the future.
